**“GTU Startup Demo Day Ahmedabad”
for
Startup to demonstrate their Product/Service.**

ABOUT GIC,

We at GTU Innovation Council, are working to build the culture of Innovation and Entrepreneurship since 2011. During our journey, many Innovators have reached to Growth Stage Startups and having few Incubation support systems where we are providing end to end support to Innovators. GTU is approved SSIP Grantee University by Education Department, Govt of Gujarat, Nodal Institute, Startup Gujarat, Design Innovation Center supported by MHRD, Atal Incubation Center approved by NITI Aayog and IP Facilitation Center supported by NRDC. Apart from this, GTU is shortly announcing Technological Business Incubator supported by DST, Govt of India.

Our center is having basic facilities like Co-working Spaces, Center of Excellence, Industry Mentors, Collaboration with Incubators. Till date, we have nearly 273+ Startups and 170+ Mentors associated across Gujarat through our Regional Innovation and Startup Centers at Ahmedabad, Surat, Rajkot and Vadodara since 2017.

OBJECTIVE OF THE EVENT:

15 promising growth stage startups would be provided opportunity for pitching their propositions at Startup Demo Day, who would be judged by an esteemed panel, which could be a precursor to the primary level screening for investment, customer acquisition and market development support. Potentially every startup demo day and screening pulls crowd of around 150-180 people consisting of wannabe entrepreneurs, innovators, startup promoters and supporters, etc. With such great pool of people it also becomes a primary marketplace or business validation opportunity for startups.

Chief Guest:

Shri Sureshji Jain, National Organizing Secretary, Bharat Vikas Parishad.

Below are benefits for startup attendees. It is an opportunity for Innovators to get exposure regarding demonstration along with networking with experts.

Benefits:

- Exposure of esteemed dignitaries of the ecosystem.
- Networking with budding entrepreneurs.
- Exposure of product demonstration.
- Awareness about issues & challenges of early-stage innovators.
