4.08.2015

Preamble

GTU has been consistently making efforts to encourage students to protect their novel idea in different form of IPR. Till today GTU has organized more than 65 workshops and create awareness on basics of IPR & Patents in particular and other related activities. Due to these efforts, till today more than 320 Patents have been filed by students and faculty members associated with GTU affiliated colleges in field of IPR.

To promote healthy competition among Patent applicants/inventors, GTU is going to organize “**2nd National Level Competition PatenTrack-2015**” on **5th September, 2015** for the students and faculty who have filed either their provisional or complete patent application with Indian Patent office and likely to commercialize technology.

In this competition, National IPR Policy makers, IPR heads of various Engineering and Pharmaceutical industries are likely to remain present. So this competition will provide a platform to all patent filer student/ faculty to show case their invention in front of Industrial experts and participants will get a platform for “*Technology Transfer of Patented Technology*” too.

As a per-requisite of this event, GTU is organizing "**Pre- Workshop for PatenTrack 2015**" event on **7th August 2015, Friday** to understand the requirement of patent filer Faculties/students.

Objective of Pre -Workshop

- Discussion on complete specification filling
- Understanding of “Technology Transfer”
- Identify the best Industries for Technology Transfer

So as per the requirement of participants, we will invite the industries for PatentTreak-2015 for technology transfer.

Participant's Eligibility

Student OR faculty should either Filed OR Granted patent with either provisional / complete specification with Indian Patent Office
