

GUJARAT TECHNOLOGICAL UNIVERSITY

Community Innovation & Co - Creation Centre

MENTORS MEETING FOR GTUROBOCON-2016

Date: 13th OCT 2015

Venue:

CiC3, Room No: 128, Gujarat Technological University, ACPC Building, L.D.Engineering College Campus, Navrangpura, Ahmedabad

INVITATION TO JOIN AS MENTOR for

ROBOCON 2016 team of GTU

Gujarat Technological University (GTU) is providing equal opportunity to all its students studying at GTU affiliated colleges all across Gujarat through various innovative initiatives. GTU is the only affiliating type of University in India having its Automobile Team – GT Motorsports where students of more than fifteen GTU affiliated colleges collaborate to learn and participate in National level Automobile events.

Gujarat Technological University has decided to build GTU team for Robotics who can represent GTU in Robocon and other Robotics Competition. GTU is thinking to create a consortium of student representatives from various colleges for the above cause to build a university level team. The college who believes in co-creation based innovation and technology development will become a part of the above consortium by signing the MOA.

The agreed institution will nominate the best student representative/s to be part of University team. University and the Advisor/Mentor Appointed by the university will finally decide the team members who will represent the university team based on their contribution, performance and relevance.

Gujarat Technological University invites GTU Faculties, who are willing to mentor the students for GTU ROBOCON-2016 TEAM for a meeting on 13 OCT 2015. Those who are interested but cannot join the meeting can also register and we will arrange for the Google Hang Out meeting session.

Meeting Agenda:

- To finalize selection criteria and processor GTU ROBOCON team from GTU affiliated colleges.
- Requirements/Budget Planning for participating in Robocon

To register online:
