Report on the

Vadodara Startup Meet-up

Date: 16th June 2018, Saturday

Time: 04:00 PM – 06:00 PM

In order to build & promote regional startup ecosystem, GTU Innovation & Startup Centre (GISC - Vadodara) organized Vadodara Startup Meetup at C. K. Shah Vijapurwala Institute of Management, Vadodara. It is a platform for entrepreneurs to learn, share and grow their business across the city. It provides the perfect platform for innovators, entrepreneurs & start-up enthusiasts to network, collaborate and find new customers. Now to create awareness about our GIC initiatives i.e. SSIP Support or NI Support to start-up ventures, targeted towards early stage ventures, growth stage ventures, innovators, wannapreneurs & students.

At the Vadodara Startup Meetup, about 70+ entrepreneurs, wannapreneurs, Innovators, Mentors and student were present. Prof. Dr. Rajesh Khajuria (Director – C. K. Shah Vijapurwala Institute of Management, Vadodara) was felicitated by Mr. Dhaval Kaku. The event started with an introductory note on GTU Innovation Council, Regional Centres & Initiatives by Mr. Dhaval Kaku (OSD – GTU Innovation Council). He had shared the information about Community Innovation and Co-creation centre – cic3, Student Startup Support System – S4, Industrial Shodhyatra, MOOC, Open School for Design, IPR & Startup Clinic. After that Mr. Nikhil Suthar (OSD – GTU Innovation & Startup Centre) conducted session on Pre-Incubation & Incubation support system for startup and GTU supported startup policies/grants. Thereafter startup venture or business pitches were initiated, following are the list of startup who showcased their product / services.

GTU INNOVATION COUNCIL

[Felicitation of Prof. Dr. Rajesh Khajuria]

Feedbacks:

It was really good initiative to meet with different entrepreneurs and mentors who are having a good knowledge in their respected fields. Kind of events will really boost the local innovation and startup ecosystem. Thank you GTU Innovation Council for giving us this kind of opportunity. - **Mayank Argade, Student Innovator**

GTU INNOVATION COUNCIL

www.gtuinnovationcouncil.ac.in

It was really an interactive and learning experience for my team. I personally believe that this kind of initiatives will really help to the early stage startup ventures to grow and sustain. And we've received good results from this initiative in terms of a number of partnership offers.

- Sunil Singh, Co-Founder – ProcessBuy

Had a fruitful interactive entrepreneurial networking session with young innovators, entrepreneurs & students. I learnt a lot about the startup policy-related support & initiatives of GTU Innovation Council - **Vedang Shah, Entrepreneur - Rolling Cones**
