Aim of this fair was to show-case work done by final year students. Students have made posters for their teams for giving brief technical overview of their project. Students have also given presentation of their project work. Students of II, IV & VI Semester have visited the fair and they were impressed by the work done from seniors.

Principal Dr. Sachin Parikh visited the fair and encouraged students with motivational speech. Principal Sir has emphasis mainly on entrepreneurship they said that it would be great if students can focus to convert their project in to a product useful to society as well as it will be a stepping stone for students to become entrepreneur.

238 projects (168 IDP and 70 UDP) participated in project fair from eight department:
