

# GTU INNOVATION COUNCIL

28<sup>th</sup> April 2011

## GTU Innovation Sankul –Navsari

- **Completed the Sankul Committee formation**
- **Links students to industries for their Final Year Project**

GTU Innovation Council has established an Innovation Sankul at Navsari consisting of 14 GTU colleges. A series of Industrial Shodh Yatras have been organized through the Udisha clubs under the Innovation Sankul. The pre final year students are being mapped with MSMEs for summer Shodh Yatras so that they will be able locate the IDPs (Industry Defined Projects) empathetically. These IDPs will be converted as the final year project thesis in the Colleges. The Sankul authorities have interacted with a series of Industries and nominated a team from both industry and academia for smooth functioning of Sankul giving emphasize to all verticals of engineering, pharmacy and management.

The Sankul has progressed significantly in making effort in linking MSME issues even at Diploma level. **Prof Mulchand Sen** of (SRIMCA) and other Udisha Coordinators of the Sankul have put a strong effort in mapping the industry defined projects which will be converted as final year thesis in coming academic year. They are developing a road map for mapping the industries both in and outside the industry zones of Navsari to harness the optimum output. The Directors will now create sector specific loops involving experienced and young faculty guides. The strong support from faculty members and Udisha coordinators has accelerated the awareness effort regarding the objectives of Innovation Council among students, faculties and industry.
