

GTU INNOVATION COUNCIL

A Meeting of the Principals of the **Mehsana Sankul** was held on 26th May, 2011 at 5:30 pm at conference room of Tapovan School, Mehsana.

Meeting started with welcome note by **Dr. D. J. Shah**. Dr. Shah briefed all members about the agenda of the meeting and also about the support required from all participating institutes to make activities of the Sankul fruitful.

Dr. Dashrathbhai Patel said that the Mission and aim of the Sankul is known by now. So let's work together and give something to industry, to students through academics and serve the society better.

The following points were discussed during the meeting:

1. After brief introduction of the activities to be carried out **Dr. Bharadia** raised his concerns about non-existence of Project component at the Pharmacy curriculum, which is needed to be conveyed to the syllabus committee of the pharmacy.
2. **Dr. D.V. Patel** discussed about the requirement of the industry and how institutes can help them to serve them better. According to him Energy Management, Manpower requirement and Automation of various activities at industry level, mainly in SME sector, needs more concentrated approach.
3. **Mr. Krunal Patel** suggested that we should also take care of IPR of the students as well as institutes in case of creative and innovative work. He also suggested that Projects from BISAG, DST, GUJCOST and other such agencies should also be shared with all institutes.
4. All members agreed that in the next meeting with industry we should involve all office bearers of the various industry organizations, food and drug agencies, HR from ONGC etc.
5. Members also agreed to take few steps to make sure that gap between industry and academics is minimized. Following steps are suggested by members...
 - a. Consultancies with industry should be promoted.
 - b. Centralized facilities for academic / industry usage need to be created.
 - c. List of equipment available with academics should be shared with industry
 - d. Resource Pool (Physical & Human) available institute wise need to be prepared and shared with industry. Such data should be made available with the co-chairman of each Sankul.
 - e. Training facilities for the industry personal need to be provided.

GTU INNOVATION COUNCIL

6. All members suggested that grass root level problems are immediately required to be addressed.
7. **Dr. A. Raman** raised his concerns about increased burden on the faculty with these activities and there should be some monetary benefits for them by GTU. Other members suggested that let us work for industry without considering monetary aspects and once industry gets benefited with work they themselves will come forward to fund such activities. So let's do it initially as Philanthropic activities.
