Ministry of Drinking Water and Sanitation (MDWS), the nodal ministry for implementing Swachh Bharat Mission (Gramin) (SBM (G)), is organizing **Swachhathon 1.0 – Swachh Bharat Hackathon** to crowd source solutions for some pressing issues faced in the implementation of SBM and provide a platform to present your solutions. The Ministry is inviting students from schools and colleges, professionals, organizations, startups and other interested, to share innovative, scalable, sustainable and viable solutions in the six categories below:

- Solution for early decomposition of faecal matter
- Monitoring usage of toilets
- Triggering behavior change
- Toilet Technologies in Difficult terrains
- Working solutions for maintenance and operations of school toilets.
- Technological solutions for safe disposal of menstrual waste

This event shall be held in three phases:

1. Screening round: Online entries are invited on *myGov* portal (**Last date for the entry is 25th August 2017**) **Link: <https://www.mygov.in/node/270381>**
2. Demonstration Round: Participants demonstrate their solutions, live.
3. Final round: Winners will be announced after their presentation (**8th September, 2017**)

We would like to request you to share your solutions on <https://innovate.mygov.in/swachhathon-1-0/>. **The link provides details on eligibility criteria, structure of the program, important dates, application procedures, selection criteria, general guidelines and terms & conditions. For any queries, please email to swachhathon1.mdws@gov.in and KPMG Center of Excellence at in-fmstartupcoe@kpmg.com.**
