ABOUT THE PROGRAMME

Under the visionary leadership of **Honb. Dr. Akshai K. Aggarwal**, Vice chancellor, GTU has successfully organized various activities for IPR awareness by organizing faculty workshops and student workshops on various themes viz. “Patenting in Engineering”, “Patenting in Pharmaceuticals”, “Patent Search Methodology”, “PSAR”, “Patent Clinic” “PSTL” and “PDE” for GTU affiliated colleges since from September 2011. Due to these efforts, within 4 years’ time period **more than 333 Patents have been filed** by GTU affiliated college students and faculty of Engineering and Pharmacy discipline. The credit goes to the students, faculty and all the stake holder of research and innovation, who have actively engaged in the promotion of IPR and innovations.

To promote innovative culture among students in a fun learning way, GTU is organizing **National Level competition of PatenTrack-2015**, a two days competition for the students and faculty who have filed either their provisional or complete patent application with Indian Patent office. This competition will consist of poster presentation by participated candidates, who will be judged by panel of experts of respective domain. We invite the young bright minds, who have filed their patent, studying or working with various colleges of Engineering and Pharmacy across the country to participate in this said event.

In this event, different industry from various sectors will participate, who are likely in need of innovative technology. So this event will also provide a platform for “*Technology Transfer*” too.

OBJECTIVES

- To provide a platform to all patent holder students and or faculty to showcase their invention
- To bridge the gap between patent applicants and industry who are in need of such technology
- To provide platform for “**Technology Transfer**”
