

A
Report Of
19th Patent Clinic

Organized by

Gujarat Technological University (GTU)

for

Engineering & Pharmacy students/ alumni & Faculty Members of GTU

on

11th & 12th September 2015 (Friday to Saturday)

organized at

Gujarat Technological University

Nr. Vishwakarma Government Engineering College

Nr. Visat Three Roads, Visat - Gandhinagar Highway

Chandkheda, Ahmedabad – 382424 – Gujarat

GTU INNOVATION COUNCIL

Background

Under the visionary leadership of **Honb. Dr. Akshai K. Aggarwal**, Vice chancellor, GTU Innovation Council (GIC) has started its mission for Intellectual Property (IP) literacy for faculty members and students since September 2011. Till today GTU has organised more than 70 workshops for faculty members and students, based on various themes on IPR and Patent.

To assist and motivate students to decide whether their projects are patentable or not, under the visionary leadership of Hon'ble. Vice Chancellor of GTU, Dr. Akshai K. Aggarwal, Gujarat Technological University has launched unique program named "Patent Clinic". If the projects are patentable, then drafting and filing the Provisional Patent applications is the second objective. GTU has successfully organized two days' workshop on "Patent Search, Drafting & Filing" (19th Patent Clinic) at GTU Chandkheda campus, Ahmedabad on 11th & 12th September 2015 (Friday and Saturday).

It's a unique initiative started by GIC to provide all possible assistance to students and faculty members from any branch of science or technology, to file patent for his/her innovative work or project. Patent Clinic is a two days' workshop in which GIC organizes seminars and workshops on basics of IPR/Patents, Patent Prior Art Search Techniques and its importance, Patenting System in India and hands on exercises to draft patents. The whole program is delivered absolutely free of cost to students and faculty members of GTU.

Programme & Discussion

During these two days' workshop, on Day-1 intensive Patent search was done with help of experts. On Day-2, whosoever's invention is novel one, drafting and filing of Provisional application was done with the help of experts. Experts and coordinators at the Patent Clinic explained the required process of patent filing, as required by Govt. of India. Then they helped the registrants in filling the patent forms.

GTU INNOVATION COUNCIL

www.gtuinnovationcouncil.ac.in

More than 35 participants from different colleges all over Gujarat have actively participated in this entire day event.

Dr. Manish A. Rachhh, Associate Professor, Centre for Pharmaceutical Studies & Drug Delivery Technologies, Gujarat Technological University (GTU), delivered a talk on “Patent Search using Open Source Database”. He guided students regarding how to search relevant patents through freely available various online databases like Es@pcenet, IPO, USPTO, Patentscope, etc. along with some examples. He explained about how to search for relevant patent documents along with different classification systems like IPC, CPC, etc. by using freely available patent databases.

Mr. Shailesh Jain, Project officer (IPR) Gujarat Technological University (GTU), focused hand on exercise on patent search using open source databases and gave brief about WIPO, International patent classification (IPC) and patent scope.

Further, he delivered a talk on the Patent Search using Paid Databases like PATSEER. He also assisted the participants in the patent search process by using online paid databases.

During this programme, facility of Paid databases like PATSEER was arranged for all participants for two days in both the sessions.

The afternoon session was conducted on individual case studies of participant’s innovative project. The participants found out the novelty and patentability of their projects by prior art search using open source as well as paid databases. **Mr. Amit Patel**, and **Mr. Shailesh Jain**, helped all the participants about patent search by different tool and techniques.

On next day, **Mr. Shailesh Jain**, , Project officer-IPR, GTU started the session on topic of drafting and filling of patent in India. He explained the Types of patent application, drafting of provisional application and key features of provisional application. Further he focused on filling of provisional application, forms and fees to be required for filling provisional application.

Feedbacks from the participants

It's my memorable day in the GTU Chankheda. Thank you for supporting as in patent drafting work

- Jenish tailor, Valia Institute of Technology

It is nice job undertaken by GTU, so students get awareness about protecting their invention. Thank you for this session.

- Zhabiya Shakir challawala, Babaria Institute of Technology

Thank you for conducting this seminar. It's appreciable that efforts are taken to guide students.

- Tejashree Vijay Nirgude, Babaria Institute of Technology
