

Gujarat Technological University

ORGANIZES

2 Days Seminar on

ENTREPRENEURSHIP & TECHNICAL TALK ON COMPOSITES

&

ACADEMIA - INDUSTRY RELATIONSHIP

BY

Dr. Ranji Vaidyanathan

Varnadow Professor of Materials Science & Engineering,
Oklahoma State University, Tulsa
USA

DAY 1 : Entrepreneurship & Technical Talk on Composites

Date: 28/05/2015, Thursday, 10:00 AM - 06:00 PM

DAY 2 : Academia – Industry Relationship

Date: 29/05/2015, Friday, 10:00 AM - 06:00 PM

Resource Person :

Dr. Ranji Vaidyanathan is presently the Varnadow Professor of Materials Science and Engineering at the Helmerich Research Center at OSU Tulsa. He directs the Next Generation Materials Laboratory at the Helmerich Research Center at OSU Tulsa. He is a Riata Faculty Fellow with the Riata Center for Entrepreneurship at the School of Entrepreneurship, Spears School of Business at OSU. He was previously the Director of the New Product Development Center (NPDC) and the Inventors Assistance Service (IAS) at Oklahoma State University for linking the innovative ideas and capabilities of small manufacturers and inventors with the knowledge and multi-disciplinary expertise of the land grant university faculty, in order to develop and commercialize economically competitive new products that strengthen rural economies, create new and enhanced jobs, capital investment and an increased tax base. At Oklahoma State University, He works collaboratively with faculty members from various disciplines and colleges to develop products and solutions for Oklahoma small manufacturers. As the Varnadow Professor, he works with the Helmerich Research Center (HRC) faculty to develop a major research and technology transfer thrust in composite materials. As a Riata Faculty Fellow in Entrepreneurship, he works with small businesses and start-up companies to advance the technologies developed at HRC into enterprises and sustainable companies. He also has a joint appointment with the School of Chemical Engineering at Oklahoma State University.

Interested Faculty members and Students can participate in Seminar, Fees: NIL

Date: 28/05/2015 & 29/05/2015, Thursday & Friday, 10:00 AM - 06:00 PM

**Venue: A - 1 (Conference Hall), Gujarat Technological University,
Nr. Visat Three Roads, Chandkheda, Ahmedabad.**

To register: <http://goo.gl/forms/1mi0x8SRmP>

Limited seats are available. Last Time & Date for registration: 12:00 PM 25-05-2015

Participants will get confirmation Email for Seminar by 5:00 PM 26-05-2015.
