ADVERTISEMENT No. TBI/01/2015

Solicits application for Empanelment of Interested Technology Business Incubators to offer Minor/Specialization in Technology Entrepreneurship to Degree Engineering students of Gujarat Technological University.

Gujarat Technological University (GTU) is the only large technological university, which has developed its own Student Start-up Policy. The Policy is based upon the experience of GTU's own successful efforts and it has also drawn upon the best practices from across India and abroad. The Policy document is available at http://files.gtu.ac.in/circulars/14DEC/05122014_02.pdf.

GTU is planning to award Special citation in Technology Entrepreneurship to Degree Engineering students as an additional credential when a student team/startup does the final year project in University affiliated Incubator and achieve certain milestone. This will be an optional additional learning for the student in addition to his regular Bachelor of Engineering Program. Proposed specialization in Technology Entrepreneurship is a recognition granted to a team that reflects its ability to work together in teams and produce measurable real world outcome. This is also to recognize the entrepreneurial mindset of the teams and ability to make use of the theoretical knowledge in a practical setting.

In pursuance of this Policy and to award additional credential based on optional additional learning, this notice is issued to invite applications from Host Institutes of Technology Business Incubators (TBI's) which are recognized by National Science and Technology Entrepreneurship Development Board, Department of Science and Technology, Government of India to apply to the University along with their Government of India Sanction Order for Incubator to get empanelled with the University either directly or through SPV specifically created for incubation and entrepreneurship to accept GTU students and mentor them to earn Specialization/Minor in Technology Entrepreneurship. The SPV may be a subsidiary/joint venture/affiliate of the Host Institute. The empanelment will be non-exclusive and will be open throughout the academic year.

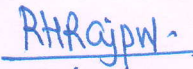

Application must mention (1) Comprehensive information about the incubator (2) List of Mentors associated with the incubator (3) Facilities/Lab/Workshop available

Application in full shape, based on the above Policy, may be sent to Mr. Naresh Jadeja, Deputy Director, GTU at deputy_dir2@gtu.edu.in.
