Efforts of CFI (Crowdfunding Initiator) program at GTU Innovation Council was presented at Hanoi, Vietnam

Kumar Manish , a member of Ahmedabad Globalshaper community and Mentor of Crowdfunding Initiator program at GTU Innovation Council had recently been part of a summit on social entrepreneurs from Asia-Pacific region where he shared the unique efforts of CFI (Crowdfunding Initiator) program . The two day gathering was held in Hanoi, Vietnam. The dignitaries included 25 odd social entrepreneurs and global shapers from Asia Pacific Region. Crowdfunding has been gaining roots recently, and CFI has been actively creating awareness among the student entrepreneurs about Crowdfunding and leverage the opportunity of reaching to masses for fundraising.

This endeavor is unique of its kind in whole nation in supporting young innovators at their early stage.
