

GTU INNOVATION COUNCIL

www.gtuinnovationcouncil.ac.in

Input performance of Degree engineering colleges affiliated to GTU based on their sincere efforts towards helping students, building capacity of their faculty members in PDE (patent Drafting exercise) and making related efforts.

The data of various PDE workshops have been analyzed carefully by Team IPR at GTU. We have assumed that faculty members who have sent us reports of PDE after they got trained have taken the learning to the classrooms of the respective colleges. We have mentioned which colleges had hosted the regional PDE workshop arranged by GTU Innovation Council.

In some cases faculty members of same college had participated in PDE workshop organized by university in more than one places to build their capacity for providing a better support to their students. We have highlighted the colleges (yellow marked)

- who have not been able to send their faculty members to the workshops, organized by GTU and
- who have not reported that they have carried the learning process for PDE to the students in the classrooms through local seminars for their own students.

The regional workshops were held at:

	Date	Hosting place
1.	15.2..2014	CHANDKHEDA GTU
2.	08.03.2014	CHANDKHEDA GTU
3.	22.03.2014	AITS RAJKOT
4.	29.03.2014	PARUL INSTITUTE BARODA
5.	05.04.2014	BIRLA VISHWAKARMA MAHAVIDHYLAY VVNAGAR
6.	22.04.2014	SCET SURAT

More than 511 faculty members were trained by GTU across the state based on record. The data has been interpreted based on the final attendance sheet and reports received from colleges till 21st April 2014.
