

**Students Start-up Support System (S4)**

**Round table on “Legal aspects for Starting Start-ups “**

Venue-S4 Conference room, S4 Co-Creation Center (S4-C3), GTU Ahmedabad Campus, LDCE Complex

**Date- 1<sup>st</sup> September 2014**

**Time- 5.30 P.M to 7.30 P.M**

At the RoundTable will be available experts/ mentors to help students understand the nitty gritty of processes to set up a new start-up company in Indian context. We are inviting experts CAs who have track record of working with incubators and student start-ups for the RoundTable.

BACKGROUND: S4 is bringing in path breaking interventions to trigger entrepreneurial aspirations, giving them support launch pad, handholding them in their take-off phases so that they become successful start-ups. Till now to support student start-ups for registration and for catering to their legal and commercial needs, we have been extending the help of the best pro-bono stakeholders. Recently more and more student teams have asked for support to make them aware about various legal and initial commercial aspects of registering new start-ups. To help such young teams we have developed the program of the RoundTable.

AGENDA: During this round table discussion, we expect the discussion to be about various areas of start-up value chain like:

- 1. Current business environment for start-ups - With types of companies they can form etc.*
- 2. Compliances in regards to Company formation - (all types LLP, Pvt Ltd etc.)*
- 3. Compliances and Important points which need to be taken care off - After formation of Company*
- 4. Few important points of Companies Act 2013.*

We invite all interested stakeholders, aspiring student entrepreneurs, GIC/ S4 fellows, Faculty Members and academic authorities to participate. They can register at
