INTEGRATED TRAINING AND PLACEMENT CELL

Codevita 2015 – The TCS contest

CodeVita is Flagship Global Coding contest launched by Tata Consultancy Services and now lives on Campus commune for Registrations. TCS feel strongly about promoting the culture of Programming-As-A-Sport. TCS CodeVita, a programming competition, is TCS way of attracting young impressionable college students to adopt this culture and experience joy of programming.

Gujarat Technological University motivates all of the under graduate and post graduate students of affiliated colleges.

Prizes to be won this Season:

- 1st Prize: USD 10,000 + Research Internship *+ Provisional offer **
- 2nd Prize: USD 7,000 + Research Internship *+ Provisional offer **
- 3rd Prize: USD 3,000 + Research Internship *+ Provisional offer **

Additionally, Top 2.5 % percentile of the round 1 successful coders will get Test Exemption in the TCS Selection Process

Last date of Registration 5th August 2015

Eligibility Criteria

Coders from institutes across India are eligible for this contest. Registrations are invited from current students in under graduate/post graduate disciplines from engineering/science background with any specialization.

Registration Process

Students will have to register as a new user on <https://nextstep.tcs.com/campus/> for taking part in the contest. Student needs to select institute name from drop down list if institute name is not appearing in list they need to select "others" option. A CT/DT Reference # is mandatory for participating in the contest. Once CT/DT id is generated, student needs to go to CAMPUS Commune for registration.
