## *Circular*

### *Online Certificate Course on Intellectual Property Rights (IPR)*

To,  
Principals/Directors of Colleges affiliated to GTU

#### **About GTU IPR Cell:**

GTU IPR Cell has designed, developed and strategically implemented numbers of novel IPR initiatives for wide spread of IP awareness in all parts and for all stakeholders of the society. With support from GTU IPR Cell more than 500 provisional and complete Patent applications have been filed, out of which 102 complete patent applications and nearly 40 trademark and design application filing support is provided to students, innovators and start-ups under SSIP scheme by Govt of Gujarat, which is highest among any other institutes and universities in Gujarat. GTU IPR Cell has followed the path of faculty training, and there by huge efforts has been made to train faculty on different aspects of IPR.

#### **Introduction to online certificate (6 Days) course:**

GTU IPR Cell is going to start online short term program on Intellectual Property Rights. This Online Course has been introduced with the objective to provide a platform for candidates to gain practical knowledge about Intellectual Property Rights and its importance for innovation and growth of businesses and the economy as a whole.

Further, the course provides inclusive knowledge about IPRs, its role in the R&D sector towards evolution and development of Science and Technology and elaborates on the emerging trends in the legal, technical and business issues associated to the IP field. The modules/topics also deal with introductions to Patents, Copyrights, Trademarks, Designs, etc. -

#### **➤ Objectives of this course**

- To understand the concept of Intellectual Property and also about the different types of the IPR.
- To appreciate the significance of Intellectual Property in modern times, in the light of its legal regime.
- To understand the intricacies of grant of Patent, Patentability, Licensing and Revocation at National levels. Also to realize the Rights and Duties of Patentees.
- To understand the major role of trademarks and industrial designs in modern business, and identify the need for their protection.
