GTU Innovation Council at a glance

GTU Innovation Council (GIC) has been designed to establish close bonding between industries, entrepreneurs, faculty members and students to make research and development at the University, relevant to the needs of industries at national and international levels. It helps to create a culture of design, new and products augmentation and processes in the arena of industries. GTU Innovation Council as an innovation campaign has started strategic steps to establish a close and continuing interaction for the students in all the undergraduate and postgraduate courses. GTU Innovation Council is one of the elite organizations of the nation for cultivating multilayer innovation ecosystem. Through the efforts for creating culture of innovation and entrepreneurship in 8 years, an aura of developing the ecosystem across the state was conceptualized. The pilot projects and efforts have ideated many policies which have helped to change and shape up innovation and entrepreneurial mind-set of students. GIC is pioneering more than 12 initiatives in 8 sectors of the council.

Brief of the session

A mentoring series of sessions was organised by GTU Innovation and Startup Centre – Ahmedabad. Mentoring can help to get the right talent on board, find the right investors, determine company's worth, or help lay the foundations of the company culture. The goals and objectives of the Executive mentor relationship: Help identify career paths for students/Startup/Entrepreneurs and support personal growth, provide an opportunity for students to learn and practice professional networking skills. Equip students with the understanding and tools to make ethical and informed decisions. Mentoring helps to reach their full potential, promoting their personal and professional development in a supportive way. It will enhance professional skills in current and future management and startup ecosystem scenario.

These sessions were especially organised on Every Thursday by **Prof. Dr. Sanjay Chauhan (Director GISC, Director of Graduate school of Pharmacy, Founder of Shpero Health LLP)** for the students/ startups who need assistance in terms of nurturing, Idea validation- compaction and business model, academic mentoring, industry connects, revenue generation and lot more. It helps innovator to think through the most important aspects of startup—such as innovative; product or service, target market, and the resources that need to support.

Considering the pandemic situation, GTU Innovation and Start-up Centre keep arranging the mentoring series virtually to continue our promise of assistance and support to the start-ups.

- ❖ Total 97 students/startups registered themselves for mentoring session, among which 50 students/start-ups get regular assistance and mentoring by **Pro. Dr. Sanjay Chauhan**.
