To,
The Principals/Directors/HoD/DE Coordinators/Students of BE Colleges affiliated to GTU

GTU – Centre for Industrial Design (Open Design School) tries to cope up with all latest trends in Design & Innovation, Entrepreneurship and Technological advancement. To achieve this, GTU has introduced Design Engineering (DE) subject which is based on Practical Based Learning (PBL) to acquire necessary industrial skill sets through Learning by Doing approach. GTU has prepared web portal to manage and coordinate the activities related to DE, so that all the stakeholders associated with the subject of DE would be connected and informed for all latest information about it. Also, GTU appreciates the efforts of all the stakeholders to implement DE subject using this portal and adhering to timeline for all the activities mentioned in the guidelines.

We wish that all affiliated degree engineering colleges of GTU should take maximum benefit of the portal and join hands in building Digital India in true sense. All colleges have to complete the below mentioned activities in Annexure 1 as per the schedule.

Kindly visit the Design Engineering web portal at: <http://www.de.gtu.ac.in>

For any queries related to DE projects/portal, please connect with us at: designprojects@gtu.edu.in

For any queries related to DE subject and feedback, please connect with us at: design@gtu.edu.in

Annexure 1

Instructions for all BE colleges affiliated to GTU:

(Important guidelines for students, guide, DE coordinators, HOD, Principal)

1. Registration for Student Team, Faculty member/Guide and Design Coordinator is open for this summer 2021 (Even) semester on the DE portal at <http://www.de.gtu.ac.in>. (Note: To guide Design Engineering projects, faculty member must be trained at the FDP organized by GTU). With new project, student may make newer team and there is no limitation on number of team members allowed, but guide needs to ensure involvement of each team member and have equal amount of work in the project.
 - Students of 4th semester need to take new project other than 3rd semester project, so they need to enter new project details of 4th semester. The project topic is branch specific using Reverse Engineering methodology. For more details, kindly refer 4th semester module guidelines available on DE portal under academic tab.
 - Students of 6th semester can continue their 5th semester project, so do not need to enter details again. But who are taking new project (Only if 5th semester project is completed and allowed by their HOD/Guide) in 6th semester, need to enter new project details. For more details, kindly refer 6th semester module guidelines available on DE portal under academic tab.
2. Each College also needs to assign one Design Coordinator (one per college, not branch wise) who is trained at the FDP organized by GTU, for managing and coordinating the activities related to DE. Design Coordinator also need to register on DE portal. Design Coordinator will be the only point of contact with GTU Design Team for any queries or suggestions. He/she will be responsible for the student's progress for Design Engineering projects as per timeline/schedule.
3. All the guidelines, circular, latest news related to DE are and will be available on portal.
4. Study material, canvases and other formats are also available on this portal for DE subject. We timely update the study material and formats as per the requirements and new developments, so all stakeholders are advised to visit the portal frequently for latest information and update.
